## 2025 CEWIL and EWO Student of the Year Awards

The Tri-Campus CEWIL and EWO Nomination Awards Committee is in search of exceptional students who participated in a Work-Integrated Learning (WIL), Experiential Learning (EL), or Co-op program in 2025.

Are you involved with your academic unit or Faculty's WIL, EL, or Co-op program?

Do you know of any outstanding students in 2025 whom you feel should be recognized for the impact they have had as part of a WIL, EL, or Co-op opportunity?

If so, please nominate them to represent U of T for the Co-operative Education and Work-Integrated Learning Canada (CEWIL) and/or Experiential & Work-Integrated Learning Ontario (EWO) Student of the Year Awards.

What are we looking for?

- **CEWIL:**

- **An individual student in a Co-op program**
- **An individual or a group of students in a WIL experience**
- Who have:
  - **Impacted their workplace** – Did they achieve something extraordinary? Were they chosen to represent their organization in research, industry, or other public domains?
  - **Impacted themselves** – Did they show evidence of learning through their work-terms/WIL experience by producing top-notch assignments, or making decisions based on their experiences; did they show extraordinary commitment to participating in Co-op/WIL?
  - **Impacted their educational institution** – How have they helped promote Co-op/WIL to peers or academic units? Have they used workplace learning or professional connections to enrich their learning back on campus?

- **EWO:**

- **An individual student in a Co-op program**

- **An individual or a group of students in a WIL or EL experience**
- **Who have:**
  - Showcased **exceptional job achievement, extra-curricular involvement, academic achievement** and a **strong contribution to Co-operative Education, EL, or WIL.**

As U of T can only put forward *one nomination per category* for CEWIL, and *two nominations per category* for EWO, the Tri-Campus CEWIL and EWO Nomination Awards Committee will identify the most qualified students across all received submissions.

Submissions will be accepted via the Experiential Learning Hub's [online submission form](#). All submissions need to be received no later than **Monday, November 24, 2025**.

The Committee will review submissions and contact the nominators of the selected nominees to put forward the full nomination package to CEWIL and/or EWO no later than **Monday, December 22, 2025**.
